CROWNE PLAZA ROYAL VICTORIA,
SHEFFIELD

EVENT SPONSORSHIP PACKAGE: BOOKING FORM

The Construction Ball is a non-profit event. Therefore not only can sponsoring the event help raise your company's profile amongst prominent businesses within the construction industry, you can be certain that all profit raised through the Ball goes to the annual beneficiary charity, which this year is Roundabout.

A Sheffield based charity supporting homeless and vulnerable young people aged 13–25 through safe accommodation, life skills and ongoing support. Donations raised on the night will directly accelerate a once in a generation development of a new integrated headquarters, bringing together a currently scattered services under one roof for the first time, giving young people faster, more joined up support at moments of crisis and enabling support to be delivered in bespoke, tailored facilities. Collectively, you would be laying a foundation of hope for the young people Roundabout support. Every pound donated would be transformed into a safe haven, a secure future, and a chance to break the cycle of homelessness for good. This unified effort would provide a collective legacy, proving that when the supporters of the Sheffield Charity Construction Ball stand together, we can build more than structures — we can build futures.

This sponsorship package is designed to offer opportunities to maximise exposure, ensuring your company is associated prior to, and during the event.

The Package includes:

- One table of 10 in a prime location
- Upto £200 of drinks for the table
- Company logo on all marketing materials associated with the event
- Company logo on the Construction Ball website
- 1 slide on the big screen on the evening
- Advert within the printed brochure on the tables on the evening
- Acknowledgment of support in PR activities

Cost: £2,800
